AWARDS 2009**

# Calling our green heroes

The Northwest Business Environment Awards will reveal the green heroes of 2009. The hunt is on for companies from across the Northwest that are taking steps to put the environment at the heart of their success.

We will be celebrating the region's carbon crusaders; waste-recyclers; energy-savers; eco-builders; green-technologists and eco-innovators! It's the region's only gathering of green business heroes.
